

# Heart Havens Month

**When we make space for people,  
we give them a chance to thrive.**

*Across the Conference, Heart Havens empowers adults with a developmental disability to live and thrive in their communities while pursuing their hopes and passions. Will you donate to help Heart Havens empower your brothers and sisters in Christ?*

**Be sure to join us on social media to see  
what Heart Havens residents are up to year-round!**
